LOAD SHEDDING PROGRAMME FROM MONDAY, 28TH OCTOBER TO SATURDAY, 2ND NOVEMBER 2024

Electricity Supply Corporation of Malawi (ESCOM) Limited will implement load shedding from Monday, 28th October to Saturday, 2nd November 2024 due to increased power demand and insufficient capacity to cover it. Furthermore, our hydro supplier will be carrying out maintenance works during the same period leading to a further decline in power supply. Therefore, refer to the load shedding schedule below.

The load shedding programme can also be accessed on our website **www.escom.mw**, Facebook account (**escommalawilimited**) and twitter handle (**@ESCOM_Malawi**).

MANAGEMENT **28TH OCTOBER 2024**

NOTE: The coloured (PINK, YELLOW & GREEN) sections on the load shedding timetable show the periods in which customers will have electricity, while the dark (BLACK) sections show the periods when customers will not have electricity.
